How to submit an abstract

To submit an abstract, you and each of your co-facilitators will need to submit your abstract in a MS Word format to cochrane.japanws@gmail.com . **You can revise your abstract until the deadline of 21 September 2018, Japan time, by sending the revised abstract to the address above.**

Instructions for poster abstracts

- Abstracts must be submitted through e-mail by 21 September 2018, Japan time.
- Only abstracts submitted in English will be considered.
- Abstracts must not be more than 2400 characters (approx. 350 words).
- The abstract should then follow the structure: Background, Objectives, Methods, Results, and Conclusions. If your abstract does not fit into this format, please choose alternative headings that are appropriate.
- The abstract title should not be more than 20 words.
- If abbreviations are used, the abbreviated term should be written out in full the first time it is used.
- Where relevant, please keep in mind the relevant reporting guidelines for the study design you are reporting on (e.g. available at the [Equator Network website](#)).
- Tables and graphs cannot be submitted.
- You do not need to submit a PDF version of the abstract alongside the form.

Submission of abstracts

You will receive an email to acknowledge your abstract submission. (Please allow up to 72 hours to receive this email). If you do not receive an email, or if you require any help with submitting your abstract, please email at cochrane.japanws@gmail.com .

Acceptance and notification of abstracts

Submissions will be judged on their originality, clarity, and scientific quality.

We aim to notify authors of acceptance or rejection of their submission by **30 September 2018**.

Registration

All presenters of accepted abstracts are required to register and attend the workshop.

Poster sessions
