Minutes

1. EACA Strategic Plan was confirmed as Appendix 1
2. Priority works for the coming year
 - 2.1 EACA members agreed to translation Cochrane Glossary first.
Steve will help to figure out authorizing issue with Cochrane.
 - 2.2 Regarding translating article titles of local medical database into English, EACA members concluded to focus on clinical trial firstly, and also agreed to follow the Cochrane CENTRAL reporting format.
3. The 5th EACA meeting will be held in Tokyo, Japan along with 22nd Annual Meeting of the Japan Epidemiological Association in 26-28 January, 2012. The meeting will be arranged at 17:00~18:00 on 26 Jan, 2012. Another MINDs seminar focused on systematic reviews and clinical practice guidelines will be arranged on the afternoon session of 28 Jan. Please block the meeting time in your schedule.
